Legal Department.

For the reasons given in the R.L.A's opinion No.2775, dated the 19th March 1948(U.r. to P. & S. D.) it would not be legally feasible to restrict the exemption to an isolated boiler belonging to the Indian Penicillin Committee. It is however permissible to exempt all such boilers used for the manufacture of drugs. A revised draft notification in general terms is sent herewith.
